

■ COMPOSITOR - VFX ARTIST

## ABOUT

Originally an Ohio native with a fine art and illustration background, I pursued an education and career path in visual effects. I believe the infusion of my artistic foundation and knowledge in film and digital media propels me to a whole new level of creativity. I am humbled by the people and projects that I have had the honor to be a part of over a decade and I look forward to what the future holds as I continue to learn and be challenged by this ever changing industry.

## SKILLS

- Senior Level and Lead experience
- Excellent interpersonal, communication, organization, and time management skills
- Able to work in collaboration with VFX Supervisors, Leads, and fellow Artists to evaluate the creative and technical approach to assigned shots
- Integrating 2D/3D and live action elements to high-end visual effects film and television
- An excellent working knowledge of and production experience with Nuke, After Effects, Mocha Pro, and Photoshop
- Familiar with production experience in Illustrator, Fusion, Maya, 3DS Max, Blender, SynthEyes, Premiere, and Davinci Resolve.
- Able to create and integrate Motion Graphics, 3D elements, and dynamic 3D effects.
- A self-starter with a pro-active work ethic
- The ability to multitask, prioritize and problem solve
- A strong eye for detail and composition
- Knowledge of practical lighting and photography
- An understanding of color space principles and theory
- A working knowledge of the overall VFX pipeline
